

Action
for Older
Persons

Action for Older Persons and Nanticoke Gardens would like to start your Holiday Season right by offering you premium Poinsettias. What makes them Premium? Our Poinsettias are 6.5 inches compared to supermarkets where they are normally 6 inches, and they have double the blossoms. For only \$14, you can give a beautiful, locally grown Poinsettia to your friends, family, or yourself. Please complete the form below. The poinsettias will be available for pickup in early December at our office at 200 Plaza Drive in Vestal. Not only would this be a great holiday treat, but it would be a great way to support Action for Older Persons, Nanticoke Gardens, and your community.

IMPORTANT NOTE: We will be selling **RED** Poinsettias.
